

YOUNG PRINCE IS
AN ARMY OFFICER

CROWN PRINCE OF SPAIN.

Did you ever hear of so strange a thing as a little boy of six years being a real officer in a real army?

Well, there really is a real boy, who was just six years old in May, holding a real office in a real army!

He is the little crown prince of Spain.

Here he is just as he looked when he received his appointment as lieutenant in the Spanish army.

His whole name is Alphonso Pius Christian Edward Francis William Charles Henry Eugene Ferdinand Antoine Venancio, prince of the Asturias.

SAMUEL DIXON,

Candidate for Councilman in the Fourth Ward.

The legislative powers of a city are vested in the city council. This body passes upon franchises and other matters of the highest importance to the people. Many cities have suffered from the ignorance and lack of qualifications of its councilmen. A city of our size needs councilmen of the highest caliber, honesty, energy, judgment and courage to stand for the right. No man is entitled to sit in the city council who is dishonest, a weakling or a trimmer.

No man in the fourth ward has higher or better qualifications for this position than Samuel Dixon of River Park. He will be a credit to the city and the people who elect him. His friends are rallying to his support and we freely predict that he will sit in the next city council.

A vote for him is a step toward good government.—Advertisement.

Persons who have taken it, improved, gained weight, exhausted night sweats stopped, fever diminished, and many recovered. If you are interested to know more about it, we will put you in touch with some who are now well. You can investigate and judge for yourself. Read of Mrs. Govett's recovery:

"Gentlemen: About September 10, 1908, my mother-in-law was taken sick with Catarrhal Pneumonia, which developed into Lung Trouble. In January, when Rev. Wm. Berg, of St. Michael's Church, at Schererville, Ind., prepared for her death, he recommended that I get Eckman's Alternative, and see if it would not give her some relief. The attending physician declared she had Consumption and was beyond all medical aid. So I immediately had Rev. Wm. Berg send for a bottle. Practically without hope for recovery, I insisted that she try the Alternative, which she did. I am glad to say that she soon began to improve. Now, she works as hard as ever, weighs twenty pounds heavier than she ever did before she took good health."

Boys' Day at Springbrook Park

The First Annual Boys' Day will be held Wednesday, July 30th.

Boys get ready for the day that belongs to you. Last year Manager Dahey of the Park had a day for everybody but the boys, this year the boys' day will be the first of the special feature days, which will be held at the Park.

There will be five boys watches as prizes to be awarded the participants in the feature Parade.

Now boys, dress up as INDIANS, COWBOYS, HAPPY HOOLIGANS, TRAMPS, or any costume you wish to wear. The Parade will form headed by the Band and march around the grounds when the winners will be selected. Then too, we will have a greased pole across the shallow water in the lagoon and the boy who crosses it in the shortest time will receive \$2.50 in gold as a reward for his perseverance.

Then we will have a COPPER TRAIL. 1000 coppers will be scattered along the walk around the lagoon and watch the boys dig for them. You remember how the girls turned out last year on Girls' Day? Well, let us show them what we can do on BOYS' DAY, Wednesday, July 30th.

This, in a cool kitchen with more satisfactory cooking results and hot water when you want it, is the new order of things enjoyed by the woman who has an All-Gas Kitchen.
